

## **INTEGRATED MANAGEMENT SYSTEMS POLICY**

### **(QUALITY & ENVIRONMENT MANAGEMENT SYSTEMS)**

We, at **juwi India Renewable Energies Private Limited**, are passionately engaged in the **operation and maintenance of solar power generating plants**. We are committed to achieve excellence in our assignments and to be reckoned as one of the leading service providers.

We are also committed to protect environment while enhancing customer satisfaction through a structured process of continual improvement in our activities and services.

In order to realise the above commitment, we shall work to:

- ➔ Deliver services which meet or exceed customer requirements
- ➔ Achieve the set goals at all levels by regular monitoring of process performance
- ➔ Strictly adhere to the applicable compliance obligations related to the services provided by us and minimize its impacts on the environment
- ➔ Prevent pollution by developing environmental friendly process, and conserve natural resources; and,
- ➔ Develop awareness on environmental issues and environmental friendly practices.
